

We solve lunch so you don't have to.

Real food kids love Choicelunch offers a wide variety of entrees to please choosy and adventurous eaters alike. We've got you covered.

I can order a month of Choicelunch in the time it takes me to make just one lunch for my son.
– Choicelunch mom, Walnut Creek, CA

Simple ordering – Whether you prefer our iPhone or Android mobile apps or our website, ordering is a snap. Customize your student's menu by setting Favorites or filtering selections based on food allergies.

Our wholesome approach – We shop how you shop. No high-fructose corn syrup, partially hydrogenated oils, artificial preservatives or antibiotics. Every lunch comes with your student's choice of fresh fruit/veggies, a side, and a drink.
