Testimonials

"Choicelunch is clearly the highest quality school lunch program in the Bay Area on all fronts: lunch selection, website flexibility and functionality, customer service, and selection and quality."

-Deborah G.

Mother of three happy Choicelunch customers

"Our previous provider was too expensive and the kids hated the food. With Choicelunch, the kids love the food, the program is super easy to manage, and the parents love the technology. Choicelunch makes you feel like you're a real partner, and that trust is invaluable to me."

-Carolyn B.

Hot Lunch Coordinator

"Can't sing enough praises and the family is loving the continuously improving app. Two kids in two schools with opposite food sensitivities made for a lot extra prep time and costly food waste...Luckily, they love trying different foods. The ChoiceLunch settings allow the favorite dishes to be flagged up top. For the youngest, the dishes without his allergens are only featured. So easy, we can order from the palm of our hand anywhere we can get mobile reception."
