

Distance learning is difficult enough without having to worry about lunch. Zoom meetings (kids for school and you for work), helping with homework, plus breakfast, lunch, snacks, and dinner keep you busier than ever. Save yourself time and stress. Let us take lunch off your plate with our weekly boxes.

What's Inside? Each box includes five meals - an assortment of hot and cold entrées and a variety of fruits, veggies, and milk. There are two box options - regular and vegetarian. Simply order online at order.choicelunch.com and safely pick-up your lunch box for the week.
